

***A message to our valued customers, from your JMax repair team:**

At JMax, the health and safety of our customers and team members is our priority. Our no contact protocols have been designed with community safety in mind. We appreciate your help and participation in keeping everyone safe.

1: Customer Lobby

Please call ahead to set up an appointment as we will not be taking walk-ins at this time. Non-medical masks are required upon entering the facility and capacity inside the lobby is limited to 5 people max.

2: Direct Estimating

Upon arrival, you may stay in your vehicle and call us at 204-475-9000, and we will provide an estimate for your repairs while you remain in the comfort of your vehicle. We will convey all repair details to you via a phone call, or email, based on your preference.

3: Repair Appointments

Our contact free procedure will allow you to drop off your vehicle and pick up a sanitized courtesy car (if you require one), while observing best practice for social distancing, in our drop off/pick up area in front of the shop. Upon repair completion, we will clean and disinfect your vehicle prior to pick up.

4: Home Pick Up and Delivery Service

Contact us to arrange for pick-up service if you require it. We will complete all necessary repairs, clean and disinfect your vehicle and return it back to you.

Our team understands the essential nature of your safe transportation. We will do our best to keep you moving safely and efficiently. The challenges presented by COVID-19 are unprecedented.

We will continue to monitor the situation and abide by safety protocols and recommended practice.

Thank you for providing us with the opportunity to fix your car. Please call or email us with any questions or to set up an estimate or repair. We will do our best to accommodate your needs.

Sincerely,

Your JMax Team
